The Award will be presented in a ceremony at Prolight + Sound in Frankfurt am Main on 4 April. The deadline for receipt of entries is 18 November 2018.**

The ‘Sinus – Systems Integration Award’ honours the future-oriented use of AV media technology and systems-integration solutions. It has been given in alternating categories since 2004. The sponsors of this honorary award are the German Event Technology Association (VPLT), the European Association of Event Centres (EVVC) and Messe Frankfurt. The expert jury is made up of representatives of the associations and experts from the sector, as well as representatives of the media and Messe Frankfurt.

In 2018, the ‘Sinus – Systems Integration Award’ was given in the ‘Business’ category and went to Ernst & Young GmbH for the ‘CFOSpace’, an innovative collaboration room at the company’s offices in Eschborn, Germany, which permits a fully digital working relationship between CFOs and their teams. The award winners were Ernst & Young GmbH as customer and the Harmann, Mathias und Partner planning company for the implementation and planning.
