Job Market at Prolight + Sound I'm searching! I'm offering!

In 2022, Prolight + Sound will offer a special area for the industry's young professionals in the form of the Future Hub in Hall 11.0.

At the job market which is part of the Career Center we offer - together with our partner, the VPLT - companies looking for new employees the opportunity to network with the next generation of the industry.

Get in touch with students and pupils and find new talents for your Team.
