## **Job Market**

at Prolight + Sound

### **Search and find!**

Prolight + Sound 2023 will focus on the sector's young professionals with a special area within the Future Hub in Hall 11.0.

We have partnered with industry association VPLT to offer companies seeking employees the opportunity to network with the industry's next generation at the Job Market, part of the Career Centre.

Why not connect with students to find new talents for your team?
