

prolight+sound

25.–28.4.2023
Frankfurt am Main

Studio Lab at Prolight + Sound Let's mix and create content!

For products that benefit from a **low-noise environment** – e.g. studio monitor boxes, microphones and other equipment related to recording, production and mastering – we provide "Studio Lab" rooms that can be booked individually.

Here, visitors can test your solutions away from the hustle and bustle of the trade fair. You meet your customers in a personal atmosphere and also have the opportunity to conduct product demos and workshops.

The rooms measure between **15–25 sqm** and can be found **in Hall 11** in acoustically separated rooms. Basic equipment and electricity is already included.

Prices for bookings **in addition to a booth** in the hall or Studio Village:

Room ≤ 19 sqm	699.00 €* per day
Room ≥ 20 sqm	799.00 €* per day

*plus VAT

Without an additional booth, the Studio Lab can only be booked **for all event days (25.–28. April 2023):**

Room ≤ 19 sqm	2,947.50 €*
Room ≥ 20 sqm	3,930.00 €*

*plus VAT and reduced Media Package (585.00 €)
